

# BAAM Environment Policy

BAAM Consulting is committed to managing all aspects of our business in an environmentally responsible manner at all times. We care about the environment, and we ask our customers to do the same.

To ensure environmentally responsible behaviour is accepted as an integral part of our business, we specifically undertake to:

- Establish an Environmental Management System in order to help systematically reduce our impacts on the environment.
- Minimise pollution occurring from our activities and operations.
- Conduct business in compliance with relevant local environmental regulations, licences and legislation.
- Communicate this policy to our employees and the wider community.
- Educate our employees and contractors on their environmental responsibilities and ensure this is integrated into their work practices, training and decision making.
- Continuously improve the environmental performance of our company.
