

BAAM Workplace Health and Safety Policy

BAAM Consulting recognises our moral and legal responsibilities to provide a safe and healthy environment for employees, contractors, consultants and visitors and will endeavour to ensure that we do nothing to place the local community or our employees at risk of injury or illness.

BAAM Consulting will endeavour to:

- Provide safe buildings, plant and systems of work.
- Ensure compliance with legislative requirements and standards.
- Provide employees, contractors and consultants with information, training and supervision, for their safety.
- Provide support that will help employees to maintain their psychological and physical health.

In meeting our commitment we will:

- Provide a safe workplace.
- Implement Work Health and Safety policies and procedures.
- Actively promote and practice those policies and procedures.
- Provide the resources required to meet the company's commitments of the Policy.

Employees and contractors have responsibility to:

- Follow all WHS policies and procedures.
- Report all hazards identified to the WHS coordinator.
- Comply with lawful instructions.
- Avoid behaving in a wilful or reckless manner.

BAAM Consulting is committed to encouraging consultation and co-operation between management and employees. We will involve all

parties in workplace changes likely to affect their safety, health and welfare and the safety, health and welfare of subcontractors and visitors. BAAM Consulting is also committed to ongoing review of the Policy and procedures to seek to ensure their continuing relevance to changing circumstances.
